General Policies

Disinterment – Our minimum professional fee is 125.00. This includes the necessary family conferences, coordinating with the cemeteries, grave service companies, arranging for transportation and obtaining all the necessary permits and authorizations. All grave charges and transportation charges will be handled as a cash advance. We reserve the right to make additional charges for professional services which require more of our time.

Unembalmed Bodies – Texas statute provides that all bodies not disposed of within twenty-four hours after death must be either embalmed or refrigerated. If you do not want embalming, we can arrange for refrigeration. You may have a funeral service with an unembalmed body present, but under no circumstance will we allow a **public** viewing of an unembalmed body. Only the **immediate family** will be allowed to view an unembalmed body. *Some charges may apply.

.

Infant Services -- The death of an infant is sudden and extremely traumatic for a young family. In order to minimize financial burden, the funeral home will have a charge beginning at $650.00. Please consult a Funeral Director to select the services you wish to have.

Infant and youth caskets and outer burial enclosure price lists are available at the funeral home.
